

TNT Premium Technology Express

By signing this form, you understand that additional fees may be charged if a consignment booked with TNT Premium Technology Express requires more than the below services to complete the delivery:

- 2 delivery personnel
- A pallet jack
- 1 hour on site

You also understand that TNT Premium Technology Express can only take up to 240cm in length, 200cm in height and up to 750kg per item (maximum weight from/to a residential address is 250kg). If any item in the consignment exceeds these values, you may be charged additional fees, or the consignment may have to be collected from the depot.
